

Plenary Council 2020

Discernment Phase

How is God calling us to be a Christ-centred Church that is: Missionary and evangelising?

Recommended actions:

All bishops show public support in word and action for Catholic organisations who are supporting marginalised individuals and communities including the Indigenous people, victims of abuse, homeless people, LGBTIQ and women.

Build effective prayerful liturgies, that remind local communities of the call to witness to Jesus by actions in their everyday lives (by being an example).
