

The farmer scattered good seed

The kingdom of heaven may be compared to someone who sowed good seed in his field; but while everybody was asleep, an enemy came and sowed weeds among the wheat.

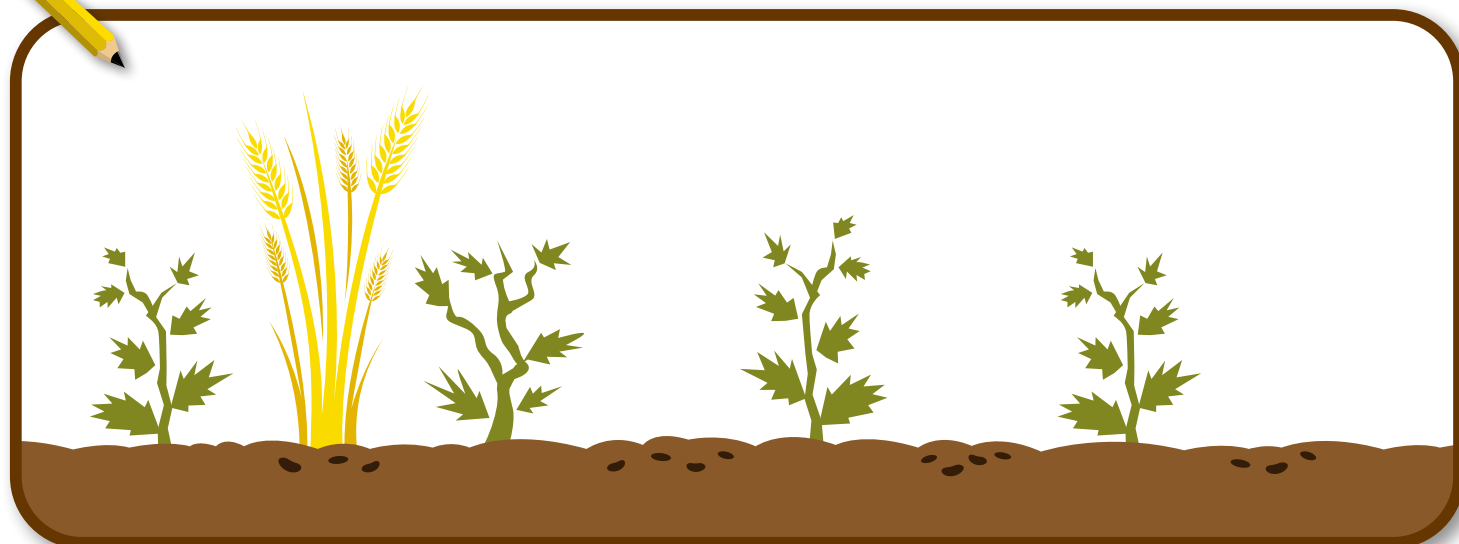

Help the farmer scatter the seed by finding the path to the wheat. Keep a look out for weeds!

Let both of them grow together until the harvest; and at harvest time collect the weeds first and bind them in bundles to be burned, before gathering the wheat.

Draw the wheat growing in between the weeds where you see seeds on the ground.
