

# Jesus' law of love

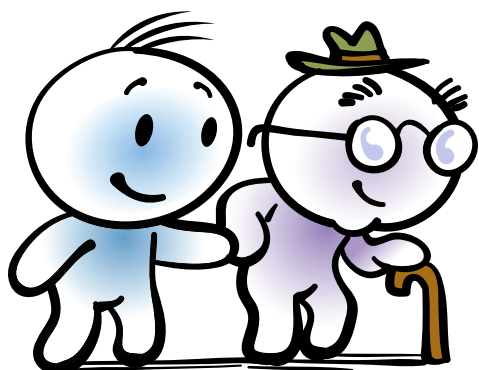

An expert in the Jewish law tried to test Jesus by asking him, "What is the most important commandment?". Draw Jesus giving his answer to that question.

"Love the Lord your God with all your heart, soul and mind."  
This is the first and most important commandment. The second is like it: "Love your neighbour as much as you love yourself".

Whenever we show kindness, love and respect for others, we are loving God.

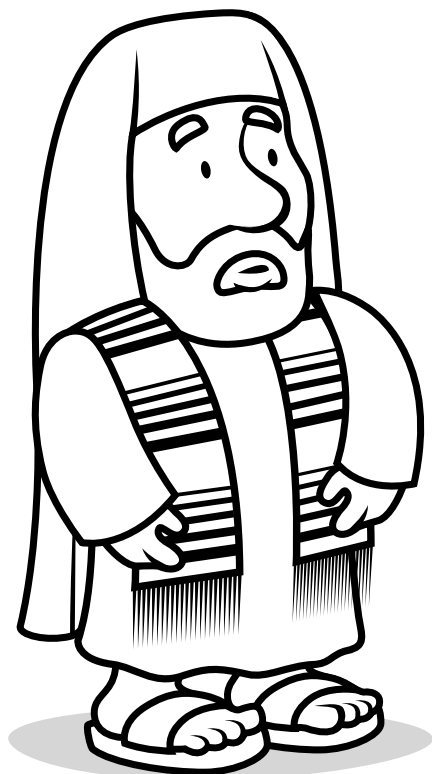

Draw a picture of yourself doing something that shows love for God.
