

# Believe in God's message

Jesus sent the disciples out two by two to proclaim the Good News. Imagine if Jesus asked you to do the same! Draw a picture of yourself and the person you would choose as your partner.

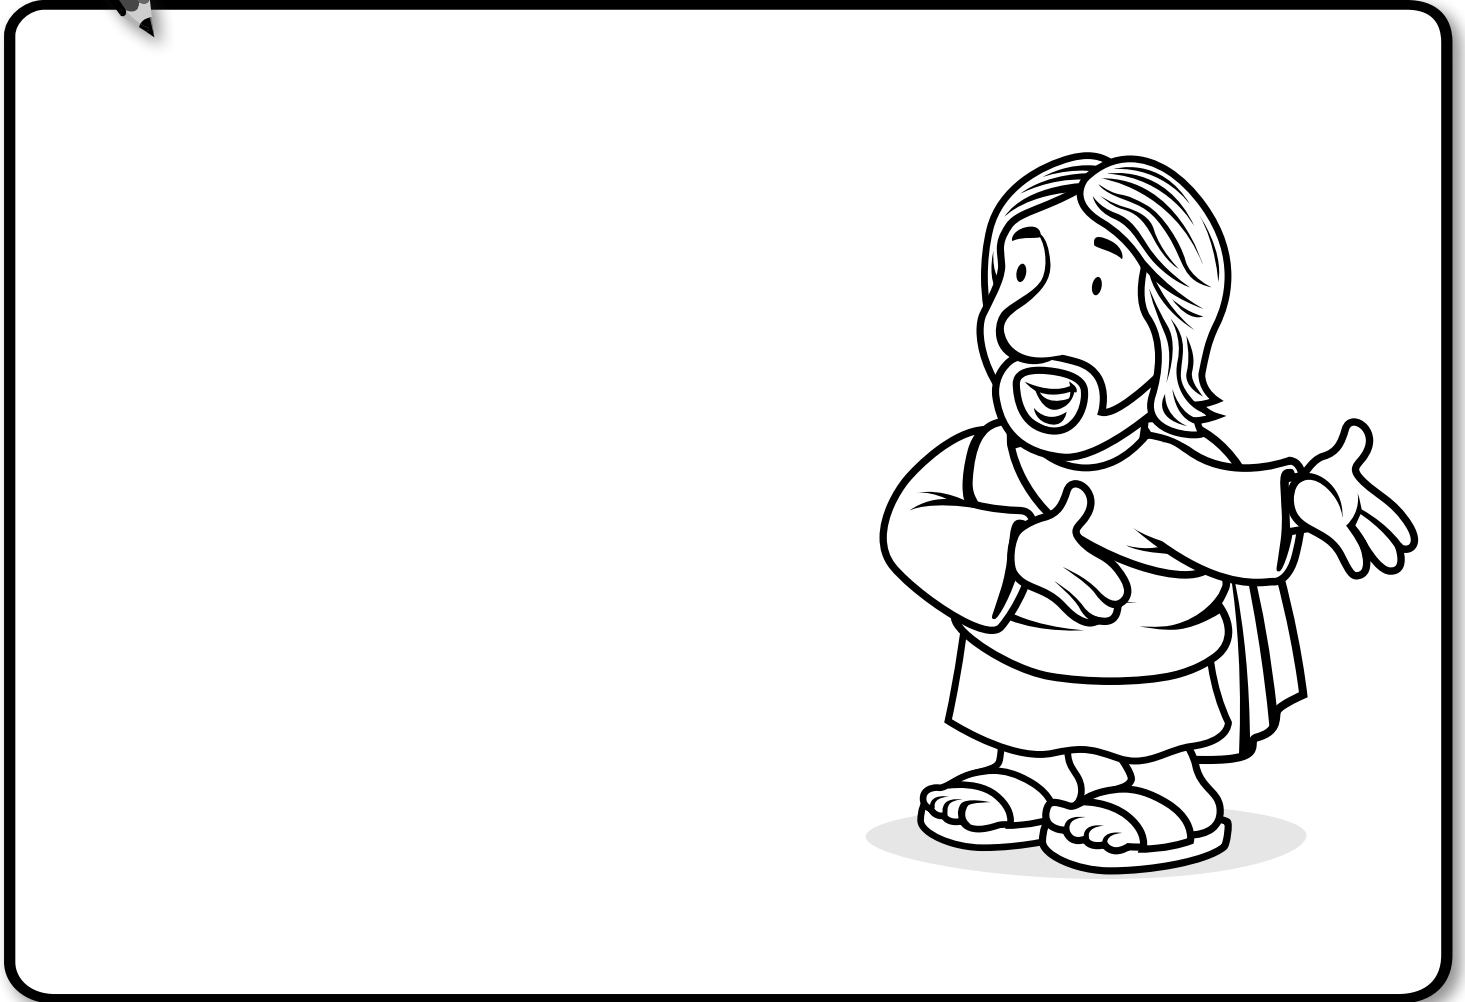

Peter and John are on their way to spread God's message to others. Help them find their way through the maze where they will find people who will welcome them and listen to their message. Keep an eye out for those who look unwilling to listen!
