

A Night on the Camino De Santiago

Join me (Lawrence Cecconello*) in a fascinating journey of discovery, as I take you through the origins, history and culture surrounding this legendary pilgrimage to the shrine of the apostle St. James, in the Cathedral of Santiago de Compostela in northwest Spain.

The Camino de Santiago is not just a path or a walking trail, but a transformative journey that enriches your mind, body, and soul.

The Camino de Santiago is also a global treasure and a UNESCO World Heritage Site, attracting many thousands of seekers, adventurers, and pilgrims from all over the world each year, with each individual taking on their own challenge, be it spiritual, physical or psychological.

There are, in fact, various routes emanating all over Europe, each with their own unique culture, charm and challenge, but our focus this evening will be the Via Podiensis, from the French town of Le Puy En Velay to St. Jean Pied De Port at the foot of the Pyrenees mountains, which I completed in May 2023.

So come along (**via zoom**) and find out so much more about this personal experience, where you will learn and be informed on this enriching and truly life changing event.

Keep this date free: 17th April 2024, 7:30pm – 8:30pm
